

## **DAHUA - CS4228-24GT-240 28-Port Cloud Managed Desktop Gigabit Switch with 24-Port PoE**

**Web cena - 38630.00**

web šifra LAN-04120

**Karakteristike - CS4228-24GT-240 28-Port Cloud Managed Desktop Gigabit Switch with 24-Port PoE**

| Brend                  |                                                                                 |
|------------------------|---------------------------------------------------------------------------------|
| Brend                  | DAHUA                                                                           |
| Priključci pozadi      |                                                                                 |
| RJ-45                  | 26 (24x 10/100Mbps PoE+ 2x10/100/1000Mbps)                                      |
| Optički                | 2x SFP                                                                          |
| Mreža                  |                                                                                 |
| Protok                 | 2x1000Mbps SFP Port, 24x10/100/1000 Base-T (PoE), 2x10/100/1000 Base-T (uplink) |
| Standardi              | IEEE 802.3x, IEEE 802.3u, IEEE 802.3ab, IEEE 802.3z                             |
| Forwarding             | 41.66Mpps                                                                       |
| Switching              | 56Gbps                                                                          |
| Fizičke karakteristike |                                                                                 |
| Masa                   | 2.5kg                                                                           |
| Dimenzije              | 440mm x 220mm x 44mm                                                            |
| Materijal              | Metalno kućište                                                                 |
| Boja                   | Crna                                                                            |
| Osnovne karakteristike |                                                                                 |
| Vrsta                  | Managed                                                                         |
| Tip                    | Switch                                                                          |
| MAC adrese             |                                                                                 |
| Tabela                 | 8k                                                                              |
| VLAN                   |                                                                                 |
| Kapacitet              | 32                                                                              |
| Dodatne funkcije       |                                                                                 |
| PoE                    | Hi-PoE                                                                          |
| Ostalo                 | Intelligent PoE                                                                 |
| Memorija               |                                                                                 |
| Bafer                  | 4Mbit                                                                           |
| Reklamacioni period    |                                                                                 |
| Reklamacioni period    | 24 meseca                                                                       |
