

## TP-LINK - TL-R605 Omada VPN Gigabitni ruter

**Web cena - 10850.00**

web šifra LAN-04229

**Karakteristike - TL-R605 Omada VPN Gigabitni ruter**

| Brend                       |                                                                                                                                                                                                                                                                |
